SW-02519A-06-0015)

On the afternoon of September 7, 2006, Commission Staff ("Staff") was notified that the Residential Utility Consumer Office ("RUCO") would like to enter into settlement discussions on the referenced case. This memorandum is being sent to all Commissioners per Commission policy of Staff notifying the Commissioners at least three days prior to entering into settlement discussions on any Class A, B or C rate case.

Unless Staff is informed (by a filing in Docket Control) by any of the Commissioners that they object to Staff entering into settlement discussions on this case, Staff will notify the other parties to this case that it is available for settlement discussions beginning September 13, 2006.
